**Objectives for IMDA Quarterly Education Series:** By the end of the session, participants will be able to describe best practices for patient care in post-acute and long-term care, be able to summarize clinical and practice updates as related to the post-acute and long-term care setting, and describe methods to support teamwork through inter-professional teams in the post-acute care long-term care environment that are designed to result in quality care and increased satisfaction of the residents, their family and the staff. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Indiana University School of Medicine and IMDA. The Indiana University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians. Indiana University School of Medicine designates this live activity for a maximum of **4.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity. In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by Indiana University School of Medicine (IUSM) must demonstrate balance, independence, objectivity, and scientific rigor. All faculty, authors, editors, and planning committee members participating in an IUSM-sponsored activity are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.
